3 bedrooms

One bathroom

Water: Tanker Electricity: Mains

Telephone: Possible Internet: Possible

Swimming Pool: No

Detached single storey 3 bedroom country property for sale in Saliente Alto, set in 4 hectares of land with fantastic far reaching views.

The main part of the property has been reformed and comprises a lounge / dining room with open fireplace and traditional cupboards to each side of the chimney breast, 3 double bedrooms, and a spacious bathroom comprising bath with shower over, WC, bidet and wash basin set in a vanity unit.

An older part of the property comprises a traditional Andalucian style kitchen with fireplace, and there are two further rooms which are in need of complete reform, as well as a small courtyard with caves which were previously used to house animals. The caves will either need to be re-dug or closed off. The property is being sold with all furniture seen in the photos.

Much of the land has been planted with almond trees, and there is a large flat area around the house giving plenty of space for a garden and swimming pool. Mains electricity is connected, and there is a 16.000 litre water deposit tank. Mains water is now available in this area as well, all the pipes are in place for connection. Telephone and internet are available for connection.
