Fabulous single storey 2 bedroom country house for sale in Almeria Province, set in a plot of 4379m² with fantastic views in the Somontin area. The house was reformed in 2007 and has a detached garage of around 60m² which could be converted to a guest annexe.

To the front of the house is a large covered terrace from which to enjoy the views. The front door opens into an entrance hall, and there is an open plan living room with a small fitted kitchen area, open fireplace and hot & cold air conditioning unit. Also off the entrance hall are two double bedrooms and a family shower room.

To the side of the house is a concrete terrace with a large stone built barbecue. The land is planted with olive, almond, and fig trees and there is also a small pine forest. Thirteen of the olive trees are more than 100 years old!
