Fabulous 6 bedroom country house for sale in Almeria Province, situated in a beautiful rural location with stunning views, only 2km from the typically Spanish hillside town of Serón.

The property is semi-detached and set in a fenced garden, with an additional plot of 4800m² situated opposite. The land is planted with olive trees, almond trees and grape vine, and there are numerous cave rooms previously used to grow mushrooms.

The front door opens into a spacious living room with a feature fireplace housing a fan assisted log burner. The fully fitted kitchen has ample space for a large dining table. Also on the ground floor are two large double bedrooms, a bathroom and a courtyard. Stairs lead up to the first floor which comprises 3 double bedrooms, one single bedroom, and a family bathroom fitted with a corner bathtub and jet massage shower. Also on the first floor is a utility room and a large sunny south facing terrace from which to enjoy the fantastic views.

The garden area surrounding the house has been beautifully landscaped with a pond and an array of flowering plants, shrubs and trees, watered via an irrigation system. There is a shaded patio area with barbecue, and a small garden area for growing vegetables. There is plenty of space for off road parking as well as for an above ground pool if desired.

The town of Seron offers all amenities for daily living, and the large town of Baza is only a 20 minute drive.

Previously run as a B&B / guesthouse, this property is equally suitable as a large family home.
