Situated in a lovely residential area in Mojacar we offer for sale a very nice detached property with sea and mountain views.

The property is built on two levels and sits on a plot that is fully walled / fenced with electric gates giving access to a car port. There is a lovely garden area plus a private swimming pool and Jacuzzi.

The ground floor comprises entrance hallway from which you access the living room, dining room, kitchen, one of the bedrooms and a bathroom. The living room has a wood burner, electric radiators, air conditioning and patio doors to a terrace with sea and mountain views. The kitchen is fully fitted and it too has access to the same terrace. The dining room has double aspect windows that provide superb sea and mountain views.

Stairs from the entrance hallway lead down to two further bedrooms, an en-suite bathroom and a storage / utility room. The master bedroom is of super size with a huge number of fitted wardrobes.

The property has air conditioning and electric radiators throughout, along with an alarm system and mosquito blinds on the windows.

This is a super family residence that is nicely presented, nicely located and nicely priced.
