Urb. Vistas Aguilar is an exclusive development in a very nice residential area of Mojacar, just a few minutes from the beach, bars, restaurants and shops. The plots all have lovely mountain views, partial sea views and views the village of Mojacar, all services are installed, plot sizes are 500 to 600 m². They will be individual villas with no community fees.

The villa is a 3 bedroom, 3 bathroom property set over two floors. On the ground floor there is a kitchen/ diner with patio doors leading outside and a separate utility room. The lounge also has patio doors leading to the terrace outside and there is a downstairs shower room. Upstairs the master bedroom is a large room with an ensuite and private dressing room. The further two double bedrooms share a family shower room. Each bedroom also leads out to a balcony.

It is a superb custom-built home, with a modern, superior quality build and will include a walled and gated plot and a 6 x 4 saltwater pool. Each plot will also have three almond trees, an olive tree and a lemon tree included.

This villa is an example which can be modified to suit individual tastes, or we can sit down with you and design your villa for you from the foundations up. These bespoke villas will only be built to order using the highest quality materials and will employ the latest high efficiency hot and cold AC and solar water heating. There is also fibre optic internet available in this location.

Depending on the plot chosen the villa is priced from 363.000€
