This large 5/6-bedroom terraced and partially renovated farmhouse with a build of 295 m², is situated in the small village of Las Pocicas which offers a bakery, shop, bars, school, doctor and a fabulous municipal pool during the summer months. The popular market town of Albox with all the amenities is only a 15 minutes drive and offers shops, schools, banks, cafes, tapas bars, restaurants, sports facilities and a 24 hour medical centre.

On the ground floor, the front entrance door opens into a large and bright entrance hall where doors lead off from here to 4 bedrooms (one is currently being used as a second lounge), a large lounge with a feature open fireplace, a large fitted kitchen with brick built fireplace and plenty of space for table and chairs, a bathroom with shower.

The first floor has 2 very large rooms and 2 smaller ones for renovation.

Outside to the rear there is an enclosed rear patio, a small piece of land with a water deposit tank and a large outhouse which could be incorporated into the house.

To the front of the property there is an entrance drive and fruit trees. The house is set on a total of approximately 580 m² of land. Just across the road there is another plot of approx 320 m² with a small garage and various olive trees give a total land size of approximately 900 m².

This property has plenty of potential and has a lovely location with fabulous views. A really fabulous property to add to your viewing list.
