The property comprises at street level the entrance terrace with double gates allowing space for parking. Go into the house and you have a spacious living room with patio doors to the terrace with awnings, and with gated access to the communal swimming pool, a good-sized kitchen, and a cloakroom. A wooden staircase from the living room takes you up to the first floor where you have the master bedroom with en-suite bathroom and two further double bedrooms and a guest shower room. A wooden staircase takes you from the living room down to the integral garage and a large area perfect for a workshop, or extra storage. There is a very useable solarium from where you can enjoy the most spectacular views of Mojacar village and the sea.

Local Area

Mojácar, where the sun shines 320 days of the year, has much to offer for the tourist and resident, with 14 kilometres of sandy, uncluttered beaches, and a backdrop of spectacular mountains which are abundant in flora and fauna. It is known throughout Spain as the Corner of Enchantment for its unique character and micro-climate. Although only a small seaside town Mojácar offers 2 quality links golf courses and several other golf courses are only a short drive away.

There is no high-rise building to obscure the sea or the views, nor will there be; earlier edicts have ensured that this lovely area will remain as natural as possible. It is for this reason that Mojácar is known as the 'Corner of Enchantment'. Located on the south-east coast of Andalusia, and surrounded by designated areas of natural beauty, Mojácar is an ideal venue which offers solitary beaches, restaurants, trendy chiringitos-beach bars, street cafés, shops, and many sporting facilities. Mojácar and all its surrounding towns and villages have their individual street markets where everyone can enjoy local cuisine, tradition, colour – and the REAL Spain!

Situated only an hours drive from Almeria international airport and 1.5 to 2.5 hour drive to the airports of Murcia and Alicante. Mojácar has excellent motorway access and in the next few years will be served by the AVE high speed train from Madrid.
